

LinkedIn Company Page – Grant Admin Access

Objective: Provide CannDelta with Admin access to your LinkedIn

Step-by-Step Instructions:

1. Log into your LinkedIn account.
2. Navigate to your **LinkedIn Company Page**.
3. Click **Admin tools** (top right).
4. Select **Manage admins**.
5. Click **Add admin**.
6. Enter the name or email provided by your CannDelta or Intellicastle contact.
7. Select the appropriate role:
 - a. **Super Admin** (recommended for full access)
 - b. **Content Admin** (if limited access preferred)
8. Click **Save**.

Important Notes:

- You must already be a Super Admin to grant access.
- Ensure you select the correct level of permissions.
