

Wix – Grant Admin Access

Objective: Provide CannDelta with admin access to your Wix website.

Step-by-Step Instructions:

1. Log into your **Wix account**.
2. Go to your **Site Dashboard**.
3. Click **Settings**.
4. Select **Roles & Permissions**.
5. Click **Invite People**.
6. Enter: **candeltamarketing@gmail.com**.
7. Assign role: **Admin (Co-Owner/Website Manager as appropriate)**.
8. Click **Send Invite**.

Important Notes:

- You must be the site owner or have admin rights to invite users.
- Choose a role that allows full management if unsure.
