

WordPress Website – Grant Admin Access

Objective: Provide CannDelta with Administrator access to your WordPress website.

Step-by-Step Instructions:

1. Log into your WordPress dashboard (**yourwebsite.com/wp-admin**).
2. Go to **Users** → **Add New**.
3. Enter: **candeltamarketing@gmail.com**.
4. Assign role: **Administrator**.
5. Click **Add New User**.

Important Notes:

- Only grant Administrator access to trusted users.
- Ensure the correct website is selected if you manage multiple sites.
