

# Google Search Console – Grant Access

**Objective:** Provide CannDelta with access to your Google Search Console property.

## Step-by-Step Instructions:

1. Go to **search.google.com/search-console**.
2. Select ☰ “Main Menu”
3. Select your business profile.
4. Scroll down and click **Settings**.
5. Click **Users and Permissions**.
6. Click **Add User**.
7. Enter: **candeltamarketing@gmail.com**.
8. Select **Owner**.
9. Click **Add**.

## Important Notes:

- Ensure you are adding access to the correct property.
- Owner access is required for SEO monitoring and optimization.
